*A ministry to boys ages 9-13
who are without fathers*

Flight36 provides fatherless boys (whether by death or absence) with godly, male role models. Mentors seek to build healthy, affirming relationships with the boys while encouraging them to fly higher on their spiritual journey with God. Boys enrolled in the program have opportunities to participate in small group Bible studies, community service projects, camps, retreats, workshops, weekly roundtable discussions, and other events hosted by the staff and sponsors of Flight36.

We are beginning a Flight36 ministry here at Southside Fellowship. We have several mentors already in place who will serve under the leadership of Phil Parkins. If you are a single mom parenting a boy between the ages of 9 and 13, we would love to have your son as a part of this ministry! This might also provide opportunities for you to connect with other single mothers who are rearing sons alone as well.

For further information about Flight36, please visit their website at www.flight36.org. If you would like to learn more about our new Flight36 ministry here at Southside Fellowship, or you'd like to have your son be a part of this ministry, please contact Phil Parkins at parkinspe@cdm.com.

Giving at Southside Fellowship

We believe the Bible teaches that every Christian is called to financially support the basic operations of the ministry through giving to the **General Fund**. Over and above regular giving, we believe the followers of Christ should contribute towards the needs of the poor, to missions, and to building campaign efforts. Please prayerfully consider how you might give in these ways to support this ministry. (All undesignated money received goes directly into the General Fund. Please designate by dollar amount or percent of total given to give to the other three funds.)

Missions Fund: Helps to support missionary families associated with our Fellowship, local mission agencies, short-term mission trips, and designated projects.

Benevolence Fund: Assists the less-fortunate or those in difficult, temporary situations.

Building Fund: Used to fund the acquisition of our current property and add on needed space as determined by the ministry.

To give online or to request personalized giving envelopes, please visit our homepage at southsidefellowship.org, and click on the Online Giving tab.

Locked Drop Boxes

are located next to the elevator and near the exits in Commons East and West. You are welcome to drop your offering, registration payments, etc. in any of these boxes. Drop-box contents are removed each week.
